Attorney Docket No. 079257/0105

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed June 5, 2003, to revive the above-identified application.

The above-identified application became abandoned for failure to reply in a timely manner to the Notice to File Corrected Application Papers mailed March 15, 2001. The Notice set a period for reply of two (2) months from the mail date of the Notice. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned after midnight May 15, 2001.

In response to the Notice to File Corrected Application Papers, petitioner submitted with the instant petition three (3) sheets of drawings, containing figures 1-4.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was intentional, petitioner must notify the Office.

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. If the person signing the instant petition desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. While a courtesy copy of this decision is being mailed to the person signing the instant petition, all future correspondence will be directed to the address currently of record until such time as appropriate instructions are received to the contrary.

The petition is **GRANTED**.

The application is being forwarded to the Office of Initial Patent Examination for further processing.

Telephone inquiries concerning this decision should be directed to Andrea Smith at (703) 308-6711.
